Dear Nathan

EXCEPTION TO RULE 12.1.1.G CHAPTER 7 RURAL - MACKENZIE DISTRICT PLAN

EDS is concerned that the exception to Rule 12.1.1.g Chapter 7 Rural Mackenzie District Plan is being used by land owners to clear tussock grasslands in the Mackenzie Basin without resource consent.

We are seeking further information on the uptake and effect of the exception. Could you advise:

- How many properties have relied on the exception?
- How much clearance has occurred to date in reliance on the exception?
- What is the anticipated further clearance in reliance on the exception through to December 2016?

A quick response would be appreciated as this request relates to litigation.

Kind regards
